

September

Fall Harvest Slime

Materials:

- Small Bowl
- 5oz of clear glue
- ½ cup of water
- ½ tsp of baking soda
- 1 tbsp of contact solution
- Glitter (red, green & gold)
- Fall colored rhinestones

Instructions:

1. In a bowl, mix together the clear glue, water, and baking soda. Stir well until everything is combined.
2. Now for the fun part! Add your red, green, and gold glitter and fall-colored rhinestones. Don't be shy—add as much sparkle as you'd like!
3. Time for the magic! Add 1 tablespoon of contact solution and stir gently. You'll notice the slime beginning to come together.
